CHRISTMAS 2012

HOME FRONT

What a fall it has been making it an even deeper and more meaningful Christmas Season to come. After such hectic times as exams, sports and school and in our case, fall travel, school groups and a visit to our son in Thailand, it is even more important to take time to be still and appreciate the holiness of the season which is upon us. Be sure to savor the presence of friends and family and look toward them with love. It's an enriching habit to develop, always giving thanks to the greatest Giver of all for such deep blessings. Remember, it's the little things we do for those around us that show what is in our hearts.

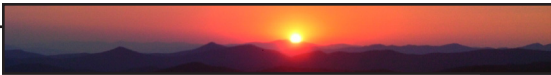

What's going on here? We have been busy, busy, busy. We started in September with our **50th Anniversary Reunion!** What a large crowd of great alumnae. We danced, laughed, sang, swam and did some trips to old and special places! What a gift it was to see so many great folks from so many great years at camp! Then we had school group after school group. How rewarding! Those groups grow so much in so many different ways. Right after the last group left, we were off to Thailand where Andrew runs international school groups on amazing jungle adventures. We ziplined through the trees, visited some caves and did some jungle hiking. Awesome! Now, we are working on videos and travel as the precious time of Christmas nears and nearly the whole family will join us back at home. **Merry Christmas!**

David & Anne

So often the news is full of the worst of what human nature is capable of. Sometimes it's easy to forget that the power of Truth and Goodness will always be greater. We celebrate you and this camp community. Here, we strive to foster and we witness the best in people's hearts and spirits. Your love, your friendships and your positive presence are the things hope is made of. Be that presence in your world. We believe in you!

News Notes and Announcements!

1) David and Anne will be traveling to Florida & elsewhere in January and February. Please let us know if you'd like to host a casual camp presentation. We **so** look forward to seeing so many of you. Join us and other camp people to share memories and experiences of summers past with your friends.

2) If you've not received camp email lately, please send us your email address and we will keep you in the know, counselors especially.

3) During this Advent Season, take a moment to email or call a camp friend, just a little holiday gift of time. Make some plans to get together.

4) We've been working away all fall, trimming lots of trees, doing cabin repairs, and sprucing up areas that just needed a touch. Ted has been clearing areas and put in another fire ring. We've been looking at new camp store goodies, too. Things are looking good!

5) Changes are coming to the whitewater program. We'll be getting into closed boats more quickly. Adam and Jeffrey just picked up new kayaks to handle the demand. Those two are quite often found in the lake, in their kayaks, even in the midst of winter, practicing.

6) Adam and MC Robichaux LOVED seeing so many of you during camp travel! Stay tuned for more travel after Christmas!

7) Send us your scoop! What have YOU been doing this fall? How about sports? Jobs? Travel? Plays? Honor Roll? Did you move? Drop us an email for our newsletter "Sparks" and continue to spread the good word!
